Welcome & Introductions
Transforming LA Through Partnership: An Approach to Community Well-Being

This is an effort designed to provide peer learning, training, and technical assistance to small and mid-sized grassroots CBOs that are interested in providing preventive services to the County’s most vulnerable residents.
Public and Private Funding Investment

• DMH committed a $5M investment in this effort over 3 Fiscal Years, beginning FY 2019-20

• Of the $5M, each Sup District will receive $1M to fund short term projects for Transforming LA participants

• Philanthropic Partners have committed funding to provide stipends and other related expenses for Transforming LA participants
Transforming LA: Intended Outcomes

- Stronger community organizations
- Additional services for residents
- More resources for communities that need them
- A better understanding of how to partner with LA County
